AGENDA

<u>Time/Duration</u>	<u>Agenda Item</u>
10:00 (0:10)	1. Welcome, Introductions, & Announcements (Facilitator: Stephen L. Jenkins, Michael Brandman Associates/All)
10:10 (0:05)	2. Review Agenda (All) Purpose: Review and adjust proposed Agenda to reflect member reports and/or updates since last meeting. Outcome: Agreement on Agenda order, topics, and timing.
10:15 (0:05)	3. Review Minutes of Previous Meeting (All) Purpose: Review the previous meeting minutes for completeness and accuracy. Outcome: Provide any corrections to and/or address any questions about the minutes.
10:20 (0:15)	4. Update: Nevada City Brownfields Assessment Project (Carrie Monohan, Senior River Scientist, Friends of Deer Creek) Purpose: Follow-up from last Forum meeting discussion. The Nevada City Brownfields Assessment Project is focusing on major mine tailings areas on property owned by the city of Nevada City. The planned re-use of these lands is as publicly accessible open space. Outcome: Further collaboration as needed.

- 10:35 (0:45) 5. Presentation: The Real Story of Hawver Cave (Gene Lorange, California State Parks – Auburn State Recreation Area)**
- Purpose: Learn about the history of this mine near Auburn, its home to pre-historic animals, its more recent illicit use by rowdy high schoolers, and closure activities to protect its resources.
- Outcome: Committee members may learn new ideas on design, methods, health and safety precautions, and multi-use remediation options.
- 11:20 (0:45) 6. Presentation: Cleaning Up the Mother Lode – Jamestown Mine (J.C. Isham, Shaw Environmental and Infrastructure)**
- Purpose: Learn about the details of a specific mine remediation project, including technology, time, and costs/benefits.
- Outcome: Committee member comments and questions.
- 12:05 (0:25) BREAK/LUNCH** (please bring your own lunch)
- 12:30 (0:15) 7. Other Items / New Business (All)**
- Purpose: Afford Members opportunities to discuss items of interest that are not on the formal Agenda (e.g., AMLU updates on recent AML accidents or remediation projects in California).
- 12:45 (0:10) 8. Future Meeting and Agenda Ideas (All)**
- Purpose: Discuss potential locations for next Forum meeting (May 16, 2007), and suggest agenda items for discussion.
- Outcome: Obtain ideas for meeting locations, potential agenda items, and assignments (as needed).
- 12:55 (0:05) 9. Summary of Action Items from Meeting (Facilitator)**
- Purpose: Accurately summarize items from the meeting that require further action or discussion.
- Outcome: List items for further action, responsible parties, and due dates.
- 1:00 ADJOURN**
